Langley Builders and Crew

I had to take time out to let you know how much we love our new home. It is small, but beautiful, just right for us.

Your family was a joy to work with. All of your subs were nice, friendly, courteous and above all, very good at their jobs. They spoke highly of you and said they had worked for you a long time and had known you even longer. You have a great crew! All of them were very skilled and were experts in their field.

Steve and I worked hard on the plans and you helped our dream come true.

The few very minor glitches we had were taken care of immediately.

With no reservation at all, I would not hesitate to recommend you. Feel free to call on me as a reference.

Sincerely,
Janelle Boatright

Hi!

I just felt like I wanted to write again and tell you how pleased we are with our home.

I know it was not exactly like you regularly build so I hope it was a good project for you.

Your family and all of your subs were so professional and easy to work with. All of you did a wonderful job.

I really would love for you to come and see what I have done on the inside. I think the whole thing is beautiful!

If nothing else, know that you have made two old people very happy.

I hope someone, soon, will give Steve a chance to show them what He can do. I may be his Mama, but I know how talented He is.

Thanks again!!!

Sincerely,
Janelle Boatright
